Notice to the Bar and Public:

Effective Monday, November 10, 2003, the public hours for viewing bankruptcy records will change from 8:30 a.m. to 4:30 p.m. **to 10:30 a.m. to 4:30 p.m.** Please note that this change does not affect the intake counter where documents are filed.

Many of you are familiar with the Case Management/Electronic Case Filing (CM/ECF) project. We will implement the CM phase of CM/ECF on January 26, 2004, which means that case files will be available remotely through the internet. We anticipate implementing the ECF phase of CM/ECF shortly thereafter. The change in the records room hours will enable the records staff to participate in training that is essential for a smooth transition to CM/ECF.

This change will be temporary and it is anticipated that normal hours of operation will resume in the records room in early January 2004. Thank you for your patience and we look forward to serving you more efficiently with electronic case filing.

Christopher L. Austin, Clerk
United States Bankruptcy Court
